RE: Operations Advisory-Building 9032 Parking Lot Maintenance Project

Scheduled pavement resurfacing work will be performed on the western section of the Building 9032 Parking Lot from **April 18** through **May 27, 2011**.

During this period, this section of the parking lot (see attached map) will be closed. Occupants should watch for directional and information signage near and around the area of the work and adjust their driving and parking patterns accordingly.

Alternative parking is available in the Building 9052(Cafeteria) lot, Building 9062 lot and the 9032 North (requires entry through Raytheon security) and 9024 (requires entry through Raytheon security) lots.

Note: *Raytheon employees are required to park in Raytheon parking lots (entry through Raytheon security).*
