**RE: Operations Advisory – Maintenance on the South Rita Road Gate**

Emergency maintenance is required on the South Rita Road Gate Arm. Due to the need to acquire parts and prepare for the maintenance work, this gate will be closed from 5:30 PM Monday 6/27/2011 through 11:00 AM Tuesday 6/28/2011. A guard will be stationed at this gate from 4:00 to 5:30 to handle peak exiting traffic. Occupants may also use the Main Rita Road Gate and Kolb Access Road Gate during this time period. Please observe all road signs redirecting the traffic flow at the South Rita Road Gate four way stop sign.”
