RE: Operational Advisory – Security Operations Center Phone X-6666

Security Operations Center Phone Number

An earlier operations advisory was issued regarding the operational status of the Security Operations Center “Non-emergency” phone number X-6666. This advisory is to inform Occupants that the phone number has been restored to active service.

If you should have any questions please do not hesitate to contact Max Mote at 799-7810 or email at max.mote@grubb-ellis.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.
