RE: Operational Advisory – Security Operations Center Phone Number

Security Operations Center Phone Number

The Security Operations Center phone non-emergency number 6666 is current not accessible. The temporary number to use for the Security Operations Center is 7991 (outside number 799-7991). Please make a note of this change. When the 6666 number is restored Contract Operator will notify Project Occupants.

If you should have any questions please do not hesitate to contact Max Mote at 799-7810 or email at max.mote@grubb-ellis.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you and have a safe Labor Day Holiday.
