**DATE: May 02, 2011**

**RE: Operations Advisory – City Water Line / Kolb Access Road**

---

A city water line will be installed across the Kolb Access Road, east of the Kolb Road and Kolb Access Road intersection. Traffic control devices will be in place in the area where the work will occur. Traffic will be restricted to one lane in each direction and travel will be slower during the construction work. The work will begin **Wednesday, May 4, 2011 through Wednesday, May 11, 2011**. *Note: Traffic restrictions will affect traffic in both directions and will change as the construction work progresses.*

As a reminder, Occupants should:

- Follow posted speed limits and traffic control sign instructions
- Adjust driving patterns accordingly to accommodate road restrictions

If you should have any questions, please do not hesitate to contact Max Mote at 799-7810 or email at [max.mote@grubb-ellis.com](mailto:max.mote@grubb-ellis.com). In addition, please visit [www.uastp.com](http://www.uastp.com) to stay informed on recent operations advisory announcements.

Thank you.
