RE: Operations Advisory – Walkway & Parking Lot Maintenance

General maintenance and repair work will be performed on various walkways and parking lots areas throughout the Project. This work will begin on 9/19/11 and will continue through October 15, 2011.

Occupants should watch for detour signs indicating such work and be aware of areas where contractors are present. Occupants should adjust their driving and walking patterns accordingly.

If you should have any questions, please do not hesitate to contact Max Mote at 799-7810 or email at max.mote@grubb-ellis.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you.
