**RE: Operations Advisory – Ring Road and Building 9020-9030 & 9024  
Parking Lot Seal Coating Projects**

---

**9020-9030 & 9024 Parking Lot – Seal Coating**

As part of Contract Operator's ongoing pavement maintenance program, the Building 9020-9030 Parking Lot (see attached map) will begin on **Friday November 18, 2011** and proceed through the end of **Sunday November 20, 2011**. This work will require the Building 9020-9030 Parking Lot to be closed from **6 a.m. on Friday November 18, 2011 through 4:30 a.m. Monday November 21, 2011**.

Please note that the Project Ring Road seal coated project(see attached map for description) originally scheduled on Friday November 11, 2011 and proceed through Sunday, November 13, 2011 will be rescheduled to begin at **9 AM on Friday November 18, 2011 and proceed through the end of Sunday November 20, 2011** due to the predicted inclement weather. This work will require partial and temporary closures of the Ring Road at various locations during the work period specified above.

The Building 9024 West Parking Lot (see attached map) will begin on **Friday November 25, 2011 and proceed through the end of Sunday November 27, 2011**. This work will require the Building 9024 Parking Lot be partially closed from **6 a.m. on Friday November 25, 2011 through 4:30 a.m. Monday November 28, 2011** (access to the 9032 north lot will be available on the 25th and 26th, but closed on the 27th).

Occupants should watch for posted signs in the area, adjust their driving patterns accordingly and consider alternative parking areas as appropriate.

If you should have any questions please do not hesitate to contact Max Mote at 799-7810 or email at [max.mote@grubb-ellis.com](mailto:max.mote@grubb-ellis.com). In addition, please visit [www.uastp.com](http://www.uastp.com) to stay informed on recent operations advisory announcements.

Thank you.
