RE: Operations Advisory: Ring Road Seal Coating Project
November 11th – November 13th

Ring Road – Seal Coating

As part of Contract Operator's ongoing pavement maintenance program, the Project Ring Road will be seal coated (see attached map for description). The work will begin at **9 a.m.** on **Friday November 11, 2011** and proceed through **Sunday, November 13, 2011**. This work will require partial and temporary closures of the Ring Road at various locations during the work period specified above.

Directional signs and other traffic control devices will be in place to assist drivers. Occupants should watch for posted signs in the area of the work and adjust driving patterns accordingly.

If you should have any questions please do not hesitate to contact Max Mote at 799-7810 or email at max.mote@grubb-ellis.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.

Thank you.
