RE: Operations Advisory – Kolb Access Road

The Kolb Access Road Gate and guard-station is tentatively planned for relocation on the weekend of May 29, 2010. The gate will be relocated approximately two miles east of its original location. Operating hours will remain the same (4:30am – 7:30pm) with 24 hour badge access commencing in approximately thirty days.

This improvement is being performed and funded by Campus Research Corporation (CRC) and is a part of their long term plan for development of the University of Arizona Science and Technology Park (UA Techpark). Further information regarding CRC development activity may be obtained at www.uatechpark.org/
