RE: Operations Advisory- July Lot and Road Maintenance Activity

Scheduled maintenance work will be performed on the following parking lots and roads on the dates shown below:

1. **Thursday July 1, 2010** - the north end of Building 9060 parking lot will be seal coated.
2. **Thursday July 1, 2010** - the South entrance/exit roadway on the south side of the Building 9020/9030 upper parking lot will be seal coated.
3. **On Tuesday July 6, 2010** - the Building 9070 southern parking lot will be seal coated.

The above lots and roads will be closed during the performance of the maintenance work. Occupants should watch for detour signs and barriers in and around the area and adjust parking and driving patterns accordingly. Please see attached drawing for further detail.

If you should have any questions please do not hesitate to contact Max Mote at 799-7810 or email at max.mote@grubb-ellis.com. In addition, please visit www.uastp.com to stay informed on recent operations advisory announcements.
